Notification of

Title VI Protection

Title VI of the Civil Rights Act of 1964 provides that “no person in the United States, shall, on the grounds of race, color or nation of origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving federal financial assistance”.

Any person who believes that he or she, individually, or as a member of any specific class of person, has been subjected to discrimination on the basis of race, color, national origin or other protected-class interests may file a written complaint with ATN, the FTA of the Secretary of Transportation. Further, ATN prohibits intimidation, coercion or engagements in other discriminatory conduct against anyone because he or she has filed a complaint to secure rights protected by Title VI.
PROCEDURE FOR FILING CIVIL RIGHTS COMPLAINTS [FTA C4702.1A,IV.2]

It is the policy of the ATN to employ its best efforts to ensure that all programs, service, activities and benefits are implemented without discrimination.

A complaint must be filed within 180 days after the date of the alleged discrimination, unless the time for filing is extended by the Secretary of Transportation. ATN encourages complaints to be filed with the ATN for resolution.

However, in those cases where the complainant is dissatisfied with the resolution by the ATN, the same complaint may be submitted to the FTA or Secretary of Transportation for investigation. Unless otherwise permitted, the final determination of all Title VI complaints affecting programs administered by the FTA will be made by the Office of the secretary, DOT. ATN follows complaint investigation and format procedures which are in keeping with Title VI requirements.

Complainants may submit a signed written complaint to the ATN directly or to the FTA offices identified below:

The Federal Transit Administration (FTA) Office of Civil Rights is responsible for civil rights compliance and monitoring, which included ensuring that providers of public transportation properly abide by Title VI of the Civil Rights Act of 1964, Executive Order 12898, “Federal Actions to Address Environmental Justice in Minority Populations and Low Income Populations,” and the Department of Transportation’s Guide to Recipients on Special Language Service to Limited English Proficiency (LEP) Beneficiaries.

In the FTA complaint investigation process, we analyze the complainant’s allegation for possible Title VI and related deficiencies by the transit provider.
