QUESTIONS ARE LISTED BELOW STRICTLY TO ACCOUNT FOR THE RECEIPT OF THE QUESTIONS AND TRANSPARENCY.

Page 37. Article 1. Paragraph 2. Please amend to read: “Changes to any portion of this Agreement shall not be binding upon ATN or Contractor except when specifically confirmed in writing by an authorized representative of ATN and Contractor by way of a written amendment to this Agreement and issued in accordance with the provisions of this Agreement”.

Page 38. Article 3.

A. Paragraph 1. Line 1. Please amend to read “. . . the work necessary to complete to ATN’s reasonable satisfaction...”.

B. Paragraph 1. Line 3. Being a cost issue, please amend to read: “All service shall be provided at the times and places designated by ATN in Exhibit A.”

Paragraph 3. Please insert the following at the end of the first sentence of this section: ...such consent not to be unreasonably withheld.

Page 38. Article 4. Term of Agreement. In order to staff and equipment the tire shop, please amend to read: “The term of the contract will be for three (3) years with two (2) one-year options to extend by mutual agreement. This Agreement shall commence thirty (30) days after full execution of the Agreement, and shall continue in full force and effect through completion of the SOW, unless earlier terminated as provided in this Agreement”.

Page 38. Article 5. Payment.

A. Paragraph 1 and 2. Please replace in their entirety to read: “For CONTRACTOR’s full and complete performance of its obligations under this Agreement, and subject to the maximum cumulative payment obligation provisions set forth in Article 7, ANT shall pay CONTRACTOR on a firm, fixed price basis in accordance with Exhibit A, entitled Table 2 and Cost Proposal sheets, attached to and, by this reference, incorporated in and made apart of this Agreement”.

B. Paragraph 3. Line 5. Please omit “at its sole discretion, ATN may decline to make full payment for any task listed in paragraph 2 of this article until such time as CONTRACTOR has documented, to ATN’s satisfaction, that CONTRACTOR has fully completed all work required under the task”.

C. Paragraph 3. Line 8. Please omit “; final acceptance shall occur only when ATN releases the retention as described in. As partial security against CONTRACTOR...incorporated in all subcontract agreements issued by CONTRACTOR”.

Page 39. Article 5. Payment. Paragraph 4. Subparagraph 8. Second and third sentence. Prescribed language does not adequately address the characteristics of a tire lease agreement whereby leased tires are operating on buses, on parked buses, and stored in spare stock at termination of the contract. Please amend to read: “Upon termination of such funds, ATN shall make final payment to the CONTRACTOR to include compensation for work satisfactorily performed prior to the effective date and time of termination and contract close-outs for the remaining value of tread on leased tires mounted on buses and in spare stock”.

Page 40. Article 7. Maximum Obligation. Please omit “or due to termination of”.
REASON: The value of the contract is based on the supply of tires and service during the five (5) year contract. Being a lease contract where there is value on the tires at the end of the five (5) year term, CONTRACTOR must continue to be reimbursed for remaining miles on buses and in spare stock.

Page 40. Article 10. Insurance.

A. Paragraph 1. Subparagraph 5. As a tire lease contract is for a product and service and not categorized as “Professional Services” offered by doctors/lawyers/engineers, please omit this paragraph in its entirety.

B. Paragraph 2. Last Sentence. Because it is not Company policy to release copies of our manuscript policies, please amend to text to read: “Furthermore, ATN would be receptive to reviewing applicable portions of CONTRACTOR’s policy at its facility and at CONTRACTOR’s expense, if necessary”.

Page 41. Article 10.: Please omit section five (5) completely.

Reason: BATO does not carry Professional Liability coverage.

Page 41. Article 10. Proof of Coverage: BATO does not agree to provide copies of our insurance policies. Alternatively, a representative may visit the BATO offices at their own expense to review insurance documents, but may not take copies with them.

Page 41. Article 11. Order of Precedence. Please amend to read: “...(2) the provisions of this Agreement including all Addenda; (3) CONTRACTOR’s proposal dated _____; (4) all exhibits; and any other documents, cited herein or incorporated by reference”.

Page 41. Article 12. Change. Line 5. Please replace “ten (10)” with “thirty (30)”.

Page 42. Article 13. Disputes.

A. Paragraph 1. Line 4. Please omit “The decision of the Executive Director shall be final and conclusive”.

B. Paragraph 2. Please remove the following language from this paragraph: “; provided, however, that any such decision shall be final and conclusive, unless the same is fraudulent or capricious, or arbitrary, or so grossly erroneous as necessarily to imply bad faith, or not supported by substantial evidence”.

C. Paragraph 3. Please add the following language at the end of the paragraph: “In the event that a resolution of the dispute is not mutually agreed upon, the parties can agree to mediate the dispute or proceed with litigation. The CONTRACTOR shall not be bound by any decision of the ATN nor shall the Contractor be required to exhaust all administrative remedies before commencing litigation in a court of competent jurisdiction within California”.

Page 42. Article 14. Termination.

A. Paragraph 1. Line 1. Following "in whole" please delete "or" and insert "but not".

REASON: It is not CONTRACTOR’s intent to service tires without furnishing the leased tires.

B. Paragraph 1. Line 6. Please delete “and Article 8, herein”. Article 8 does not reference FAR.

C. Paragraph 1. Last sentence. Prescribed language does not adequately address the characteristics of a tire lease agreement whereby leased tires are operating on buses, on parked buses, and stored in spare stock at termination of the contract and title does not transfer until paid for in full. Please amend to read: “Notwithstanding any other provision herein, if ATN terminates this Agreement for convenience pursuant to this Article 14, ATN shall provide thirty (30) days advance written notice shall be given to CONTRACTOR and ATN shall make final payment to the CONTRACTOR to include compensation for work satisfactorily performed prior to the effective date and time of termination and contract close-outs for the remaining value of tread on leased tires mounted on buses and in spare stock”.

D. Paragraph 2. Last sentence. Please amend to read: “If the contract is terminated for default, ATN shall remit final payment to CONTRACTOR in an amount to cover all services performed and expenses incurred in full accordance with the terms and conditions of this contract up to the effective date of termination, including the remaining value of tread on leased tires mounted on buses and in spare stock less reasonable costs incurred by ATN as a result of such default or breach including but not limited to reasonable expense associated with procurement of the agreement.

REASON: The “title” does not change hands under a tire lease agreement until remaining value of tires are paid for in full.

E. New Paragraph 3. Please add: “If ATN fails to make any payment due or to perform any obligation under this Contract, CONTRACTOR may, at its option and without waiving or limiting any of its other rights or remedies under this agreement or at law, declare all of ATN's indebtedness and obligations to CONTRACTOR to be immediately due and payable and may immediately terminate this agreement by giving fifteen (15) days written notice to ATN to that effect”.

PAGE 42. Article 15. Indemnification.

A. Please amend to read: “Except to the extent of any damage or losses caused by the negligence or willful misconduct of a party seeking indemnification, CONTRACTOR shall indemnify, defend and hold harmless ATN, the City of Anaheim, Caltrans, and all of their officers, directors, and employees from and against all claims (including reasonable attorneys’ fees and reasonable expenses for litigation or settlement) for any loss or damages, bodily injuries, including death, damage to or loss of use of property caused by the negligent acts, omissions or willful misconduct by CONTRACTOR, its officers, directors, employees, agents, subcontractors or suppliers in connection with CONTRACTOR’S performance of this Agreement”.

B. Please insert “to the extent” between “property” and “caused” in the fourth line of this section.

C. Please insert “negligent” between “the” and “acts” in the fourth line of this section.

D. Please insert “applicable” in between “any” and “federal” in the seventh line of this section.

E. Please insert new paragraph: “Notwithstanding any other provision of this contract to the contrary, in no event shall either party be liable for any loss of actual or anticipated profits, loss of anticipated business, downtime costs or delay claims (whether direct or indirect), nor for any other special, indirect, incidental, or consequential damages arising out of, relating to, or in any way connected with this contract or the provision of tires and/or services, whether based in warranty, contract, tort, negligence, strict liability, or otherwise”.

Page 43. Article 16. Assignments. Paragraph 1. Due to this agreement being for tire lease and ATN having possession of Contractor's tires, please add make this provision by amending Paragraph 1 as follows: “Neither this Agreement nor any interest herein nor claim hereunder may be assigned by CONTRACTOR or ATN either voluntarily or by operation of law, nor may all or any part of this Agreement be subcontracted by CONTRACTOR, without the prior written consent of the other party. No assignment shall relieve either party of any obligation under this agreement.

Page 43. Article 17. Access to Records and Reports. Please insert the following at the end of this Section: Any access to Supplier’s records and reports pursuant to this section shall be upon reasonable advanced notice, during normal business hours and at the sole cost and expense of the accessing party.

Page 44. Article 22. Civil Rights Assurance. Subparagraph 4. Line2. Please revise to read “... permit reasonable access to its nonproprietary...”.
