Thank you for your proposal submittal in response to Anaheim Transportation Network's (ATN) Request for Qualifications (RFQ) for a Mobility application for ATN ridership.

This email serves as a formal notice that ATN will **NOT** conduct interviews on July 24, 2017.

ATN has reviewed the proposals received on or before the deadline of June 23, 2017 at 4:00 p.m., and has selected seven Consultants to participate in the second, more detailed solicitation that will result in the execution of a contract approved by the ATN Board of Directors. As stated in the RFQ, only Consultants that qualify as a result of this RFQ process will be permitted to propose in response to the second, more detailed solicitation.

Proposers that ATN has selected, as a result of this RFQ process, include (in alphabetical order):

1. CivicConnect
2. DemandTrans
3. Moovel
4. Routematch
5. Passport
6. Steer Davies Gleave
7. [TransitApp.com](#)

ATN was very pleased with the quality of firms that submitted proposals. As such, ATN encourages the qualified Consulting firms above to reach out to and consider other RFQ proposers to be part of your submittal in the second, more detailed solicitation. These other firms that have not been selected as a result of this RFQ process, may have a role in your upcoming proposals.

The anticipated schedule for the second solicitation is consistent with the schedule contained in the RFQ:

Publication Date:	Early August 2017
Pre-Proposal Meeting:	Late August 2017
Proposals Due:	October 2017
Evaluation/Selection:	Late October 2017

Contract Award:

November 2017

Note that this second solicitation **WILL NOT** be posted on ATN's website or be advertised. Instead, ATN will communicate via email directly with the qualified Consulting firms identified above.

This email serves as the final communication for the ATN RFQ process. Thank you for your participation.
