### IMMEDIATE RELEASE

#### **Anaheim Resort Transportation Elects Four Directors To Board**

*Business Leaders to Join Existing Board of Clean-Fuel Transportation Provider*

Anaheim, CA (November 20, 2017) – Anaheim Resort Transportation (ART) has elected four new Directors who will serve on the public transportation board for the next two years. Newly elected Board Members include Ian Gee, Sheraton Park Anaheim; Bhavesh “Bo” Patel, Anaheim Marriott; Jeffrey Runsten, Hilton Anaheim; Dan Lee; City of Anaheim; and Brian Sanders; Angels Baseball.

“We are excited to have these business leaders join our Board and help us guide the future of our operations. Their insight and knowledge will ensure that ART continues to provide world-class transportation service to local residents, commuters and visitors. Our organization has a strong history of local leadership, and the newly elected Board members will join a group of community leaders committee to reducing congestion in our region,” said ATN Executive Director Diana Kotler.

ART provides public transportation services through a franchise agreement with the City of Anaheim. Approximately 9 million passengers are served annually via the organization’s fleet of 82 clean-fuel vehicles. ART operates fixed routes services in and around The Anaheim Resort® and several areas in city of Costa Mesa, including South Coast Plaza and other employment centers.

“This an exciting time for organization, having just celebrated our 15<sup>th</sup> anniversary. We look forward to continuing to help relieve congestion and appreciate the willingness of these business leaders to lend their talents to our efforts,” said Diana Kotler.
